STEPS TO SUCCESS

1. **Set a personal fundraising goal.** Prizes are on the back. You'll definitely want to check them out before setting your goal!
2. **Choose your method for gathering pledges:** Create your own fundraising page by registering at hlcil.org and/or use this paper form.
3. **Ask EVERYONE you know to sponsor you.**

Envision a Sauk Valley with zero abortions

Make this vision a reality at Hope Life Center's upcoming WALK for VISION. The goal is to raise funds to save lives — the average cost of each life saved is \$1,500.

This is a family friendly 2 mile walk that you can participate in at your own convenience. Walk whenever works for you and then pick up your prizes on May 1st!

Questions?

FAQ'S

Who do I ask for pledges?

Everyone! No one is off limits. Co-workers, friends, church, clubs, family members and neighbors are just a few ideas to get you started.

How do I ask for pledges?

We know it can be a bit nerve-wracking to ask others for money but remember, you are a voice for the voiceless. Share your online fundraising page to Facebook, send your link to friends via email, bring your pledge form to work or the next family get together. Simply ask "Will you sponsor me as I walk for life?"

How can my sponsors pay?

Your sponsor can give you a cash or check donation to deliver to us the day of the walk, pay online through your personal fundraising webpage, or request to have us bill them by circling "BILL ME" on the pledge form.

When do I walk?

You can walk whenever fits your schedule! We recommend walking a two-mile course and letting your sponsors know when you will be walking.

About Hope

Hope Life Center's mission is to erase abortion from the Sauk Valley one woman and one baby at a time to the honor of Jesus Christ. We have been providing free and confidential services to women experiencing unplanned pregnancies since 1986. The funds you raise will allow Hope Life Center to continue to save women and children from the devastation of abortion.

Our Services Include:

- Pregnancy testing with ultrasound confirmation
- STD testing for pregnant and at-risk women
- Private consultations concerning pregnancy options
- Medical and community referrals
- Post-abortion support
