## Who We Are

Hope Life Center clinics are changing the pro-life culture in our community, because there is a lot we can agree about. There are no sides when it comes to respectful, compassionate woman's healthcare. We are here for all women who find themselves with an unplanned pregnancy.

We support all who walk through our doors and provide women with **FREE** medical service's and unbiased information she needs to make an informed decision about her ongoing healthcare journey. We believe that every woman deserves the freedom to choose life and our Christ-centered process respects her decision knowing that her health and support with ongoing needs are paramount.

## Services We Provide

Our clinics employ licensed RN and RDMS medical staff, overseen by a MD Medical Director.

- Pregnancy Testing
- STI Testing & Treatment
- Ultrasound Services
- Pregnancy Options Consultation
- Chance to Receive the Gospel
- Community Resource Referrals

## Who We Serve

Hope Life Center Clinics average patient age is 25. Our clinics are located in counties where over 50% of the of the communities household income is under \$50,000 and 15% or more of residents are not making a livable wage. Ethnicity data also finds that of the patients we serve in our clinics we 76% are Caucasian, 16% are Hispanic/ Latino, 4% African American, 3% Two or more ethnicities, and 1% Native American.

## Partner with Us

Our clinic services rely on donor funding. As a Corporate Sponsor your support ensures that all funding obtained at our annual fundraising event goes directly to our clinics. While sponsorship is not tax deductible, every dollar you spend goes to ensure that women right here in our shared community free life saving medical services. Thank you for your consideration!
